The Professional in Human Resources - International (PHRi™) exam is created using the PHRi EXAM CONTENT OUTLINE, which details the responsibilities of and knowledge needed by today’s HR professional. The PHRi EXAM CONTENT OUTLINE is created by HR subject matter experts through a rigorous practice analysis study conducted by HRCI. It is updated periodically to ensure it is consistent with current practices in the HR profession. This exam content outline took effect in 2018.

HRCI developed the HRCI Capability Model™ in 2021 to support the interplay between evidence-based knowledge, stakeholder-relevant capabilities and results-oriented outcomes. It serves as a roadmap designed to support and guide HR’s diverse community of professionals as they pursue learning and assessment opportunities. For more information about the Capability Model, please visit our website.
Functional Area 01 | Talent Acquisition (19%)
