\*SHRM certifications include a large number of credential holders from HRCI and other organizations who were awarded SHRM credentials without taking a comprehensive or accredited HR competency exam.

\*\*Employer Preference data is based on unique job posting data collected by Emsi, a CareerBuilder company, from major job boards such as CareerBuilder, Monster, LinkedIn and many others. More than 336 million job postings were analyzed from April 2011 – November 2016.

\*\*\*NCCA is an independent non-governmental agency that provides program-wide accreditation of more than 300 certifications for a wide range of professions and industries.

\*\*\*\*Buros provides test-only accreditation, testing appraisals and psychometric consultation services.
